

# LEARN ABOUT LIBBY!

BOSSIER PARISH  
LIBRARIES

The building icon (yes, it is actually a library!) takes you to the homepage of the Libby app. This is also where you can browse through suggested titles, newly added, and more!

The stack of books icon is your bookshelf! Look here for books you've borrowed.

The clock icon is your "timeline" which can show you titles you've borrowed, placed on hold, and returned.

The magnifying glass takes you to the search page where you can look for specific authors or titles. The "more" option under "explore with filters" lets you narrow your search even more!

This center icon, made up of 3 lines, takes you to your settings and the help section.
